

avrSystemMarker

```
graph BT; avrSystemSingle --|> avrSystemMarker
```

A UML class diagram showing an inheritance relationship. The class 'avrSystemSingle' is at the bottom, represented by a gray-shaded box. A solid blue arrow points upwards from 'avrSystemSingle' to the class 'avrSystemMarker' at the top, which is represented by a white box. This indicates that 'avrSystemSingle' inherits from 'avrSystemMarker'.

avrSystemSingle
